Parish Development

Following the Parish General Meeting the temporary pastoral council and the pastoral council renewal group have met and propose the following developments:

The new pastoral council will start at the beginning of October. For the present it will consist of 8 members and the parish priest. It will be prepared for by a sub group finalising the basic purposes of a pastoral council, and then a period of recruitment and formation. It is important to see that any pastoral council will work in the context of meetings of group leaders meetings, group meetings, parish general meetings. This will be developed next week.

Census: We are doing a major update of our parish records. This is important as we need to know the names and contact details of our parishioners in order to develop contact with them. It is also important in helping us get some idea of the make up of our congregation. One of the organising group will explain about this in the next few weeks.

Parish Information and Welcoming Folder: A parish folder including basic information about the parish that would be useful to all parishioners, and especially new one, will be developed for general parish use. A parish directory of all groups will be developed in course of the year.

World Youth Day: "Experience the universal Church first-hand amidst the unique and vibrant story of Catholicism in South Korea. From remarkable saints, bustling markets and poignant shrines to Holy Mass with Pope Leo and sleeping under the stars. Come with us from our Archdiocese and discover, in a profound and personal way, God, the Church, and the transforming power of faith." - Archbishop Cushley. If you are aged 19-35 and want to find out about attending the World Youth Day in South Korea, 3-8 August 2027, please register your interest at youth.office@staned.org.uk.
